World Space Week

- October 4-10 annually
- Declared by United Nations General Assembly in 1999
- Held by hundreds of organizations, including space agencies, schools, aerospace companies, planetaria, museums, astronomy clubs
- Largest annual space event on Earth. Total 2007-2010 participation:
 - 94 nations
 - 2,259 events
 - 1,351,000 attendees
 - 296,000,000 reached by media coverage

Benefits

- Builds the workforce of tomorrow by inspiring students
- Visibly demonstrates public support for space programs
- Educates the public and government leaders about space activities
- Promotes institutions which are involved in space
- Fosters international cooperation in space outreach and education

How to Participate

- Hold events: www.worldspaceweek.org/participants
- Volunteer: www.worldspaceweek.org/volunteers_needed
- National/local coordinator: www.worldspaceweek.org/coordinators
- Sponsor: www.worldspaceweek.org/affiliates
- Student Zero G flight: www.worldspaceweek.org/youth_inspiration

World Space Week Association

- Supports the UN in the global coordination of World Space Week
- Non-profit, non-government organization formed in 1981
- Serves World Space Week coordinators and participants
- Supported by volunteers and voluntary contributions

World Space Week Association Sponsors

- SpaceX Turksat
- Skylon Enterprise Limited
- Astrium
- Secure World Foundation
- ATK Aerospace Systems
- Eagle Applied Sciences
- Lex Mercatoria Solicitors LLP
- Orbital Sciences Corporation
