

World Space Week Association

A proposal for the 2015 Theme was made by Remco Timmermans Nov 29, 2014. The proposed theme was the word "Discovery" combined with poster art which set the astronomical context.

Emails were sent to all board members with the proposed 2015 theme. By December 10, 2014 24 board members responded with a yes vote. Below are the board members that voted and their vote.

Ade	Abiodun	yes
