

WORLD SPACE WEEK OCTOBER 4-10 ANNUALLY Fact Sheet

- Largest annual space event on Earth
- Declared by the United Nations General Assembly in 1999
- Synchronized space education and awareness outreach events held by groups such as:
 - ◆ Aerospace Companies
 - ◆ Space Agencies
 - ◆ Schools
 - ◆ Planetaria
 - ◆ Museums
 - ◆ Astronomy Clubs

Benefits:

- Synchronization provides unique leverage in space education and outreach
- Builds the workforce of tomorrow by inspiring students today
- Visibly demonstrates public support for space activities while enhancing brand and image
- Educates the public and government leaders about the benefits of space
- Promotes organizations which are involved in space
- Demonstrates active Corporate Social Responsibility
