World Space Week

Thursday October 5th, 2023

To whom it may concern,

I am writing to share with you the highlights of the exciting and educational activities that took place during World Space Week at SAAD NATIONAL SCHOOL in Al Khobar, Saudi Arabia. Both our national and international sections actively participated in a series of engaging and inspiring events, fostering a sense of unity and curiosity among our diverse student body.

1. We dedicated our morning assembly to the theme of space, as per the following link:

We also used this opportunity to announce a competition for the best contribution to our space-themed corner. This served as a great way to engage our students and encourage their involvement. This link shows the announcement that was created by the school that provides information on different ways for students to participate in the

competition: https://drive.google.com/file/d/1rlvC-OP4vWdaxkhTQdYZ4k2yNwBS0c_D/view?usp=sharing

3. **Interactive Space Corner:** In celebration of World Space Week, our school established an engaging space-themed corner where students actively participated by creating brochures, sharing images, and delivering presentations. A video ran throughout the day, enhancing the learning experience. To get a glimpse of this captivating activity, we invite you to watch the video available at the following links:

4. **Space Knowledge Competition:** Our school auditorium was buzzing with enthusiasm as our Grade 12 students orchestrated an engaging space knowledge competition. The event began with an introduction that set the stage for a day filled with curiosity and learning. The competition featured thought-provoking questions that challenged our students' understanding of space. To witness this event, you can view the video of the introduction here:

5. **Regional Space participation:** SAAD NATIONAL SCHOOL actively participated in a regional space event that brought together schools from the AlKhobar region of Saudi Arabia. our school took the Space Corner that was created within our premises and reconducted the competition there. Our students showcased their enthusiasm, knowledge, and teamwork, contributing to the overall success of the event.

We are immensely proud of the engagement and commitment displayed by our students and staff during World Space Week. These activities not only inspired a deeper appreciation for space science but also fostered a sense of unity and teamwork among our school community.

Thank you for your continued support, and we look forward to sharing more exciting educational endeavors with you in the future.
