World Space Week OCTOBER 4-10

About WSW Association · About World Space Week · Hold a WSW Event · WSW events · Media · My Account · Logout

Participate!

Event registration

If you are planning a space-related event or programme during the timeframe of World Space Week, please use the following form to promote these activities. To further link your event with the largest annual public space event on Earth, use "World Space Week" and the WSW logo in publicity and programme materials.

After entering data below, click the Submit button. All information will be published on this site immediately (except as noted below).

After World Space Week, please return to the calendar to report on results, including attendance and media coverage, and upload event photos.

Thank you for participating in and supporting World Space Week.

Fields identified with an asterisk * are required to complete the submission. Without these fields completed the event will not be registered.

If you have any errors while adding your event, please use the following link and submit your event.
