

WOMEN IN SPACE

THEME 2021 PROPOSAL

WOMEN IN SPACE

- Inspire women and girl's to be more engaged in STEM
- Recruit a CEO as Honorary Chair that could serve as a role model – research shows that lack of female role models affects lack of interest in girls' pursuing careers in STEM
- Topic is highly debated in the UN as well as other settings
- The theme would support Thematic priority 7 of UNISPACE +50: Capacity building
- SDG5: Gender equality
- Support by UN Member States & Industry
- Fundraising opportunity
