Celebrating World Space Week

Women in Space

Space Tech-Talk Series

4 - 8 October 2021 | 10:00 to 11:30AM; 2.00 to 3.30 P M

Online Platform: MS Teams

About the program

The celebration has been held from October 4th to 10th of every year, to observe the milestones in space exploration. The theme of world space week for the year 2021 is women in space, in the commemoration of Valentina Tereshkova became the first woman in space on 16 June 1963, about 50 Years of women in Space. In connection with this, Department of Physics, School of Foundational Sciences, is celebrating the world space week in association with **Vigyan Prasar**. It has been planned to organize space tech talk series for Faculty, Research Scholars and the students by the experts from **ISRO, DRDO, IIST and Vikram Sarabhai Space Centre**. Also, various competitions such as quiz, Ideathon and photography will be conducted for both school and college students.

- **No Registration fee** for the Talk session and Events
- School students from **8th to 12th grade** can participate in the events.
- All the registered participants can attend all the expert's space talk. Sessions. Men are also encouraged participate and make women proud.
- The same meeting link can be used for all the 5-day sessions.
- **E-certificate will be provided for all the participants** those who submitted the feedback form for the expert's talk for all the 5 days.
- The top three places for all the four competitions will be awarded with the cash prizes as follows:
I place – Rs.1000
II place – Rs.750
III place – Rs.500
