

World Space Week 2023 contributes to the following

Inspiring students around the world to take an interest in \*  
.STEM and business

Providing an opportunity for space industry companies to \*  
employ the necessary human resources to enhance the growth  
.of the growing commercial space industry

It is an important forum for discussions on the transformation \*  
of low Earth orbit towards an ecosystem that encourages  
entrepreneurship and contributes to the development and  
.better exploitation of space
