Mrs: Fatimah Ali Bu Azran Mrs: Layla Alhasan

School Principle: Mrs. Buthaina Al Essa

World Space Week (WSW)

In the name of Allah The Most Gracious
The Most Merciful

Dear Principal

My dear teachers,

My dear brothers and sisters,

Peace and blessing of Allah be upon you.

We are here today to present our English
Broadcast about World Space Week.

(WSW)

Our best start is with the Holy Quraan
with the pupil:.....

((وَهُوَ الَّذِي جَعَلَ لَكُمُ النُّجُومَ لِتَهْتَدُوا بِهَا فِي ظُلُمَاتِ الْبَرِّ وَالْبَحْرِ
قَدْ فَصَّلْنَا الْآيَاتِ لِقَوْمٍ يَعْلَمُونَ))

قَدْ فَصَّلْنَا الْآيَاتِ لِقَوْمٍ يَعْلَمُونَ))

الأنعام/ ٩٧ .

To know about our program, we will
listen to our friends and
..... conversation about World
Space Week.

Pupil 1: What is World Space Week?

Pupil 2: World Space Week is an international celebration of science and technology, and how this helps to make human's life better.

Pupil 1: When does WSW take place?

Pupil 2: It takes place every year from October 4- 10

Pupil 1: Where and how World Space Week celebrated?

Pupil 2: It is celebrated through different events in many places such as schools, museums, space agencies and many more places.

Pupil 1: What are the goals of World Space Week?

Pupil 2: There are many goals of World Space Week. Some of them are

- Educate people about Space and its benefits
- Show public support for space programs
- Help student to have more interest in subjects like science, math and technology

Pupil 1: How many countries participate in this event?

Pupil 2: About 87 countries

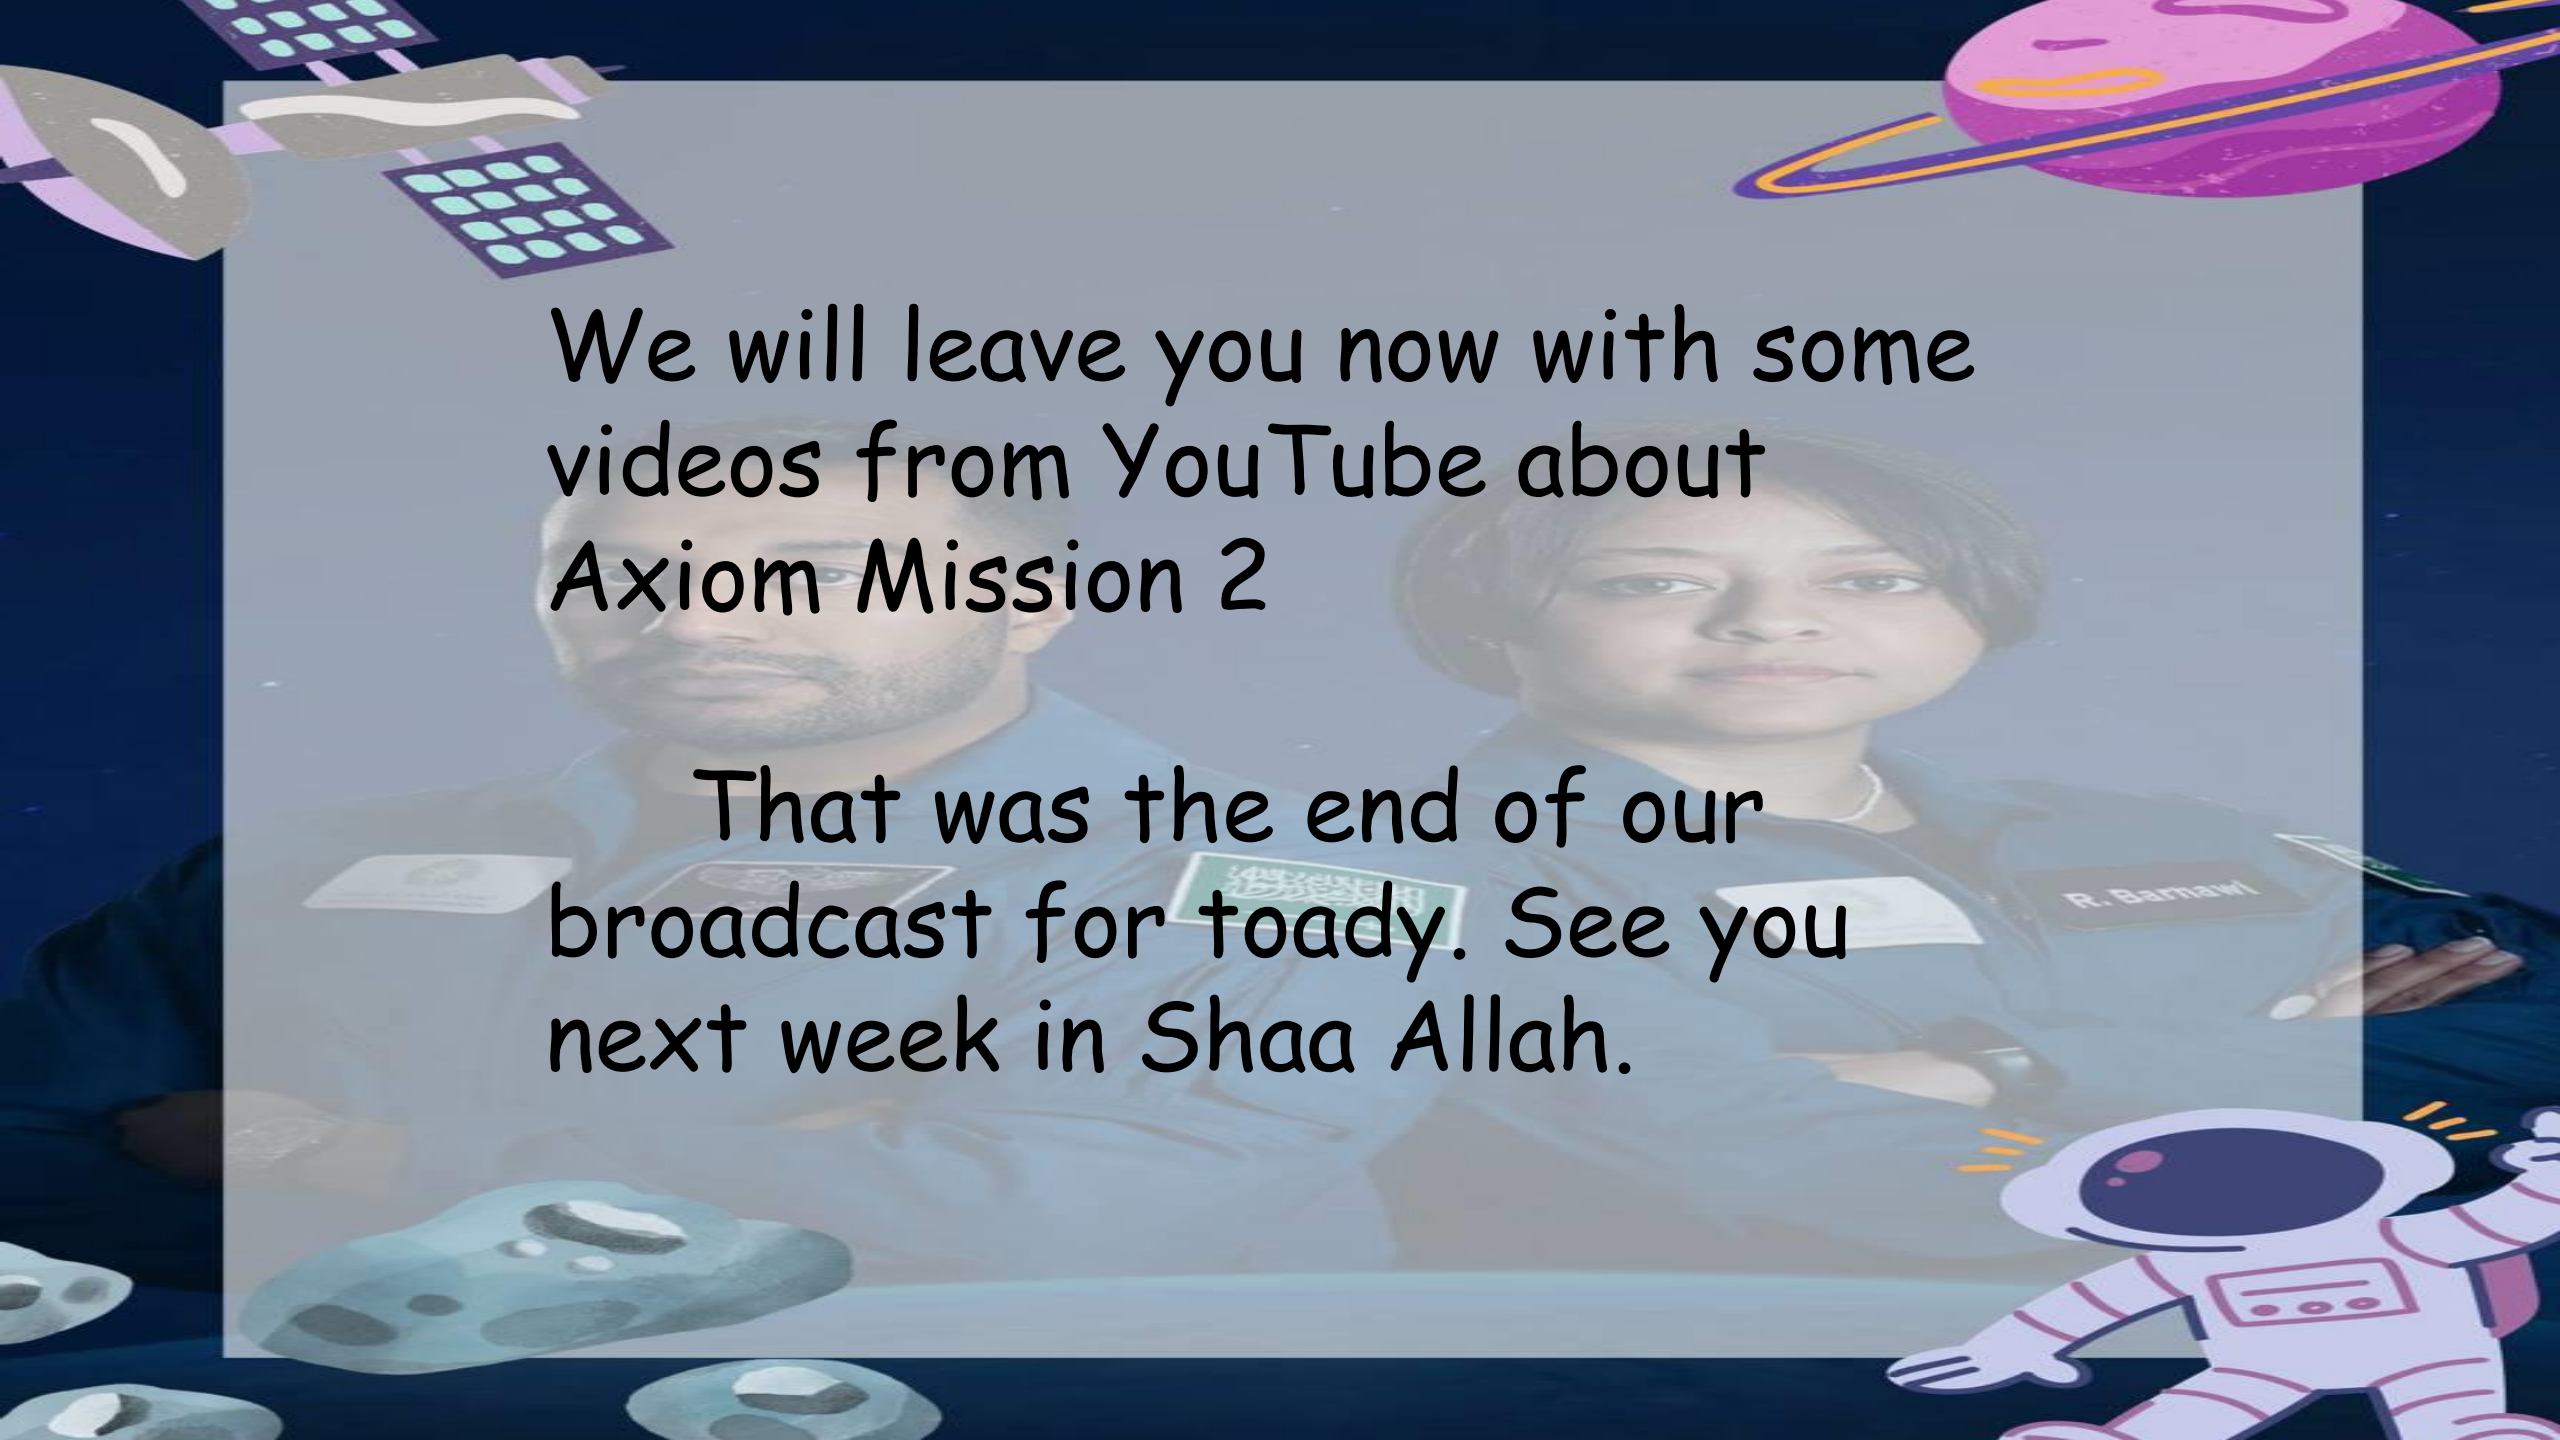

Pupil 1: Is Kingdom of Saudi Arabia one of these nations?

Pupil 2: Yes, it is.

In fact, our country has been interested in space since 1985 when prince Sultan bin Salman Al Saud landed on the moon.

Add to that, 2 Saudi mission specialists were on Axiom Mission 2 and members of its crew. Axiom Mission 2 launched on 21 May 2023 on SpaceX Falcon 9 and docked on 22 May 2023.

These Saudi mission specialists were: Ali AlQarni and Rayanah Barnawil

We will leave you now with some videos from YouTube about Axiom Mission 2

That was the end of our broadcast for today. See you next week in Shaa Allah.

An astronaut in a pink and white spacesuit is floating in space. The astronaut is holding a blue water bottle in their right hand and a brown briefcase in their left hand. The background is a deep blue space with stars and nebulae.
