A vibrant, cartoon-style illustration of outer space. The background is a light beige color with scattered white stars. In the upper left, there's a brown planet with a dark spot, a yellow star, and a green star. Below that is a planet with horizontal stripes in shades of orange, yellow, and red. To the right of the center is a purple planet with a ring system. In the lower left, a white rocket with red fins and a blue window is launching upwards from a layer of white, fluffy clouds. To the right of the rocket is a green planet with a blue ring. In the bottom right corner, a portion of the Earth is visible, showing green continents and blue oceans. The overall style is playful and educational.
